

This Employer Participates in E-Verify

This employer will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS), with information from each new employee's Form I-9 to confirm work authorization.

IMPORTANT: If the Government cannot confirm that you are authorized to work, this employer is required to provide you written instructions and an opportunity to contact SSA and/or DHS before taking adverse action against you, including terminating your employment.

Employers may not use E-Verify to pre-screen job applicants or to re-verify current employees and may not limit or influence the choice of documents presented for use on the Form I-9.

In order to determine whether Form I-9 documentation is valid, this employer uses E-Verify's photo screening tool to match the photograph appearing on some permanent resident and employment authorization cards with the official U.S. Citizenship and Immigration Services' (USCIS) photograph.

NOTICE:

Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States.

If you believe that your employer has violated its responsibilities under this program or has discriminated against you during the verification process based upon your national origin or

citizenship status, please call the Office of Special Counsel at 1-800-255-7688 (TDD: 1-800-237-2515).
